General Information

This document describes the data elements collected by the Nebraska Statewide Workforce & Educational Reporting System (NSWERS). Valid values and data validation rules that can be performed prior to data submission are listed where appropriate.

High-Level Data Collection Workflow

Scope

All students enrolled in courses (for credit AND/OR noncredit) at the institution for given academic year.

File Names

<i>File Specification</i>	<i>File Name</i>

##	Optional sequence Number

Data Element Names

The following syntax is used throughout this document when referencing data elements.

Format: *NSWERS Field Name [File Specification: Field Name (Field Number)]
where:

- An asterisk (*) indicates the data element is a mandatory field. A non-blank or non-null value must be supplied in all mandatory fields for each record, or the data loading process will reject the record.
- NSWERS Field Name represents the name of the data element commonly used by the Nebraska Statewide Workforce & Educational Reporting System (NSWERS).
- File Specification indicates the formal name of the file specification.
- Field Name indicates the formal name of the field within the file specification.
- Field Number indicates the position of the field within the file specification.

Academic Year Ending

The academic year is understood as July 1 – June 30. Postsecondary data will be organized by academic year using Academic Year Ending. For example, the

Academic Year Ending field for 2020 – 2021 will simply read: “2021”.

Notes of Importance

- Any values that contain a comma must be enclosed with quotes.
- Data fields should be ordered in the same sequence as identified in this document.

All files should be submitted in .csv format.

To maintain data privacy and security, and to preserve the informational chain of custody, NSWERS staff cannot edit original source data files. It is the responsibility of each data contributing partner to resolve errors discovered during data submission, validation, and certification processes. Corrected data files should be re-uploaded by partners into the NSWERS data system.

Decision Tree: Reporting for Nonmandatory Data Elements

†The field is represented by a code in the data specifications (e.g. gender, GED Status, etc)

*The field is blank or represented by a blank placeholder in your data system

K12 Enrollment

The K12 Enrollment file collects information on student enrollment events. A K12 Student record must be submitted for each student appearing in the K12 Enrollment file or the data loading process will reject the record.

Additional details can be found on our website at

<https://nswers.orgs/insights/data-dictionary-and-elements/>

*County District Number [K12 Enrollment:District Code (1)]

Provide the number assigned to the school district/system by NDE and should include a hyphen (“-”) between county number and district number. The number is based on the county in which the district/system headquarters is located and an assigned district number.

This is a mandatory field; a value must be supplied for each record or the data loading process will reject the record.

Format

##-####

*School Number [K12 Enrollment:Location Code (2)]

Provide the School of Membership for the student.

Provide the primary school number for the student or staff.

This is a mandatory field; a value must be supplied for each record or the data loading process will reject the record.

Format

###

*School Year Ending [K12 Enrollment:School Year Ending (3)]

Provide the literal school year ending in the format “YYYY”. The school year is understood as July 1 - June 30. For example, the value of the School Year Ending field for July 1, 2020 – June 30, 2021, would simply read: “2021”.

This is a mandatory field; a value must be supplied for each record or the data loading process will reject the record.

Format

yyyy

*NDE Student ID [K12 Enrollment:Student ID (4)]

Provide the 10-digit Nebraska Department of Education Student Identifier.

This is a mandatory field; a value must be supplied for each record or the data loading process will reject the record.

Format

#####

***Enrollment Date [K12 Enrollment:Enrollment Date (5)]**

Provide the date on which the enrollment information becomes effective. This applies to both enrollment and withdrawal information

Use the ISO date format (YYYY-MM-DD)

This is a mandatory field; a value must be supplied for each record or the data loading process will reject the record.

Format

yyyy-MM-dd

***Enrollment Code [K12 Enrollment:Enrollment Code (6)]**

Provide the enrollment code that indicates the type of enrollment record. This applies to both enrollment and withdrawal information.
